

Ahmed Nabil Hegazy

*03.02.1978, Cairo, Egypt

Dr. med., Dr. rer. nat. (M.D., Ph.D.)

Inflammatory Mechanisms Group
 Medical Department, Division of Gastroenterology, Infectiology and Rheumatology
 Charité – University Medicine Berlin
 Charitéplatz 1, 10117 Berlin, Germany
 Email: ahmed.hegazy@charite.de; hegazy@drfz.de

EDUCATION AND QUALIFICATIONS

- 07/2012 **Doctor of Philosophy in Immunology (Dr. rer. nat.)**
Grade: Excellent “summa cum laude”
 Institute of Biology, Mathematisch Naturwissenschaftliche
 Fakultät I, **Humboldt University of Berlin**, Germany
 Dissertation: “Stability and plasticity of T helper type 1 and type 2
 differentiation programs”
 Supervisors: Prof. Andreas Radbruch and Prof. Max Löhning
 Funding: DFG-Graduiertenkolleg 1121
- 11/2010 **Doctor of Medicine (Dr. med.)**
Grade: Excellent “summa cum laude”
 Department of Pediatric Hematology and Oncology,
Hannover Medical School (MHH), Germany
 Dissertation: “Role of CD4⁺ T cell-mediated anti-tumour immunity in a
 BCR-ABL⁺ murine model of acute lymphoblastic leukemia”
 Supervisor: Prof. Christoph Klein
 Funding: Cancer Sick Children Foundation
- 08/2007 **Approbation**, License to practise medicine, Germany
- 07/2005 **Bachelor of Medicine, Hannover Medical School (MHH)**, Germany
- 2004 – 2005 Clinical Practical year at **Hannover Medical School**, Germany
- 1998 – 2004 Medical studies at **Hannover Medical School**, Germany
- 1996 – 1998 Medical studies at Faculty of Medicine, **Cairo University**, Egypt

PROFESSIONAL AND CLINICAL EXPERIENCE

- 04/2017 – to date **Internal Medicine Resident and Group Leader**, Department of Gastroenterology,
 Infectiology and Rheumatology, **Charité–University Medicine Berlin**, Germany
Headed by Prof. Britta Siegmund
- 11/2012 – 03/2017 **Postdoctoral Researcher**, Translational Gastroenterology Unit,
 Kennedy Institute of Rheumatology, **University of Oxford**, United Kingdom
Mentor: Prof. Fiona Powrie, FRS
- 10/2010 - 03/2012 **Internal Medicine Resident**, Department of Gastroenterology,
Charité–University Medicine Berlin, Germany
Headed by Prof. Martin Zeitz
- 01/2006 - 12/2007 **Research residence** as part of Ph.D. training at the Institute of Experimental
 Immunology, **University Hospital Zürich**, Switzerland
Headed by Prof. Zinkernagel and Prof. H. Hengartner

- 07/2005 - 09/2010 **DPhil (Ph.D.) Student** at the Cell Biology Section, **German Rheumatism Research Center-Berlin (DRFZ)**, Germany
Mentor: Prof. Andreas Radbruch and Prof. Max Löhning
- 2002 - 2005 **M.D. Thesis** (Dr. med.) at the Department of Pediatric Hematology and Oncology, **Hannover Medical School, Germany**
Supervisor: Prof. Christoph Klein

SCHOLARSHIPS AND AWARDS

- 09/2017 **Robert-Koch Postdoctoral Prize** in the field of immunology, Robert-Koch Foundation
- 07/2017 Election to the **Arab-German Young Academy of Sciences and Humanities (AGYA)**, Berlin-Brandenburg Academy of Sciences and Humanities
- 04/2017 **BIH Junior Clinical Scientist Grant**, Berlin Institute of Health
- 03/2017 Successful **Lichtenberg Professorship** application, Volkswagen Foundation
- 07/2014 - 06/2016 **Marie Curie Actions-Intra-European Fellowship** for career development, European Commission
- 01/2013 - 06/2014 **EMBO Long-Term Fellowship** for postdoctoral research
- 12/2012 **Feodor Lynen Research Fellowship**, Alexander von Humboldt Foundation (declined)
- 11/2011 **Dissertation Award** for Tumour Research, Hannover Medical School
- 09/2010 **Poster prize**, 40th Annual Meeting of the German Society for Immunology (DGfI), Leipzig, Germany
- 08/2010 **Travel award**, 14th International Congress of Immunology, Kansai, Japan
- 04/2010 **Poster prize**, World Immune Regulation Meeting-IV, Davos, Switzerland
- 07/2005 - 07/2008 **Ph.D. studentship**, DFG Research Training Group 1121 „Genetic and Immunologic Determinants of Pathogen-Host-Interactions“, German Research Council (DFG)
- 12/2005 **Travel award**, 47th American Society of Hematology Annual Meeting, Atlanta, USA
- 10/2001 - 03/2002 **M.D. Scholarship**, Cancer Sick Children Foundation,
Project: „Immunity of a BCR-positive acute lymphoblastic Leukemia“

PERSONAL DEVELOPMENT (selected)

- 05/2016 **Mentoring training**, Nuffield Department of Clinical Medicine, University of Oxford
- 10/2015 **Metabolic Phenotyping in Disease Diagnosis & Personalised Health Care Course**, Imperial Phenome Training centre, Imperial College London
- 09/2015 **One Day Manager Course**, Nuffield Department of Clinical Medicine, University of Oxford
- 09/2014 **EMBO Single-Cell Gene Expression Analysis Practical Course**, European Molecular Biology Organisation, Heidelberg
- 11/2013 **EMBO Laboratory Management Course** for Postdocs, European Molecular Biology Organisation, Heidelberg
- 04/2013 **Advanced BD FACSria Operating Course**, BD Biosciences, UK

LANGUAGES

Fluent in German, English, and Arabic (mother tongue)
