

Curriculum vitae

Dr. rer. nat. Christian Schwartz

*21/11/1984, Leonberg, Germany

Professional development

Current position

2018 to date Academic researcher within the programme „Recruitment of excellent young researcher to Tuebingen“ at the **Eberhard-Karls-University Tuebingen** and the **University Hospital Tuebingen**
Visiting research fellow, **Trinity College Dublin, Ireland**

Post-Doc

2015 – 2018 With Prof. Padraic Fallon, Trinity College Dublin, , Trinity Biomedical Sciences Institute, Translational Immunology Group, **Dublin, Ireland**

2015 With Prof. David Voehringer, **Erlangen**

PhD

2011 – 2015 **Friedrich-Alexander- University Erlangen-Nuremberg**, Institute for Clinical Microbiology, Immunology und Hygiene at the University Hospital Erlangen, Department of Infection Biology
Supervisor: Prof. David Voehringer
Title: „*Basophil-mediated protection against gastrointestinal helminths*“
Grade: Magna cum laude

2010 **Ludwig-Maximilians-University Munich**, Institute for Immunology
Supervisor: Prof. David Voehringer

Diploma thesis

2009 – 2010 **Ludwig-Maximilians-University Munich**, Institute for Immunology
Supervisors: Prof. David Voehringer (Munich), PD Dr. Peter Soboslay (Tuebingen)
Title: „*Das Nippostrongylus brasiliensis Infektionsmodell in der Maus – Die Rolle von Basophilen in vivo*“; Grade: 1.1

Practical training

2009 **Humboldt-University Berlin**, Molecular Parasitology, Berlin
Supervisors: Dr. Christian Klotz, Prof. Susanne Hartmann

Semester abroad

2008 **University of Connecticut**, Storrs, CT, USA

Studies

2005 - 2010 Biology (Diploma) at the **Eberhard-Karls-University Tuebingen**
Major: Cell biology/Immunology
Minors: Parasitology, Medical Microbiology and Hygiene

Civil service

2004 - 2005 Internationaler Bund, Jugendgästehaus **Leonberg**

School

1995 - 2004 Albert-Schweitzer-Gymnasium, **Leonberg**

Conferences

September 2018 Molecular & Cellular Biology of Helminth Parasites XII, Hydra, Greece Poster
September 2017 Annual Meeting of the German Society for Immunology (DGfI) 2017. **Talk**
Erlangen, Germany

December 2016	EMBO Conference: Innate Lymphoid Cells 2016, Berlin, Germany	Poster
September 2016	Molecular & Cellular Biology of Helminth Parasites X, Hydra, Greece	Poster
September 2016	Irish Society for Immunology Meeting, Cork, Ireland	Talk
April 2016	Infectious Disease Immunology meets Molecular Microbiology, Erlangen, Germany	
September 2015	Irish Society for Immunology Meeting, Dublin, Ireland	Poster
December 2014	International Mast Cell and Basophil Meeting 2014, Munich, Germany	Talk
September 2014	Molecular & Cellular Biology of Helminth Parasites VIII, Hydra, Greece	Talk
September 2013	FEBS 17 th International Summer School on Immunology; Immune System: Genes, Receptors and Regulation, Rabac, Croatia	Poster
September 2013	Annual Meeting of the German Society for Immunology (DGfI) 2013, Mainz, Germany	Talk
January 2013	Keystone Symposium: Type 2 Immunity: Initiation, Maintenance, Homeostasis and Pathology, Santa Fe, NM, USA	Poster
November 2012	International Mast Cell and Basophil Meeting 2012, Berlin, Germany	Poster
March 2012	16 th Symposium Infection and Immune Defense, Burg Rothenfels, Germany	Talk
September 2011	Annual Meeting of the German Society for Immunology (DGfI) 2011, Riccione, Italy	Talk
March 2011	Spring School in Immunology, Monastery Ettal, Germany	Poster
December 2010	International Mast Cell and Basophil Meeting 2010, Berlin, Germany	

Awards

November 2018	Robert Koch Post-doctoral award, Robert-Koch-Stiftung, Germany
July 2016	EMBO Long-Term Fellowship, European Molecular Biology Organization
June 2015	Bursary award to attend Marie-Sklodowska-Curie-Award Workshop, Trinity College Dublin, Ireland
January 2013	Travel grant of the National Institute of Allergy and Infectious Diseases (NIAID), USA
September 2011	Travel grant of the German Society for Immunology (DGfI)

Invited seminar speaker

June 2018	University Tuebingen, Jun.-Prof. Dr. Jennifer Ewald
March 2018	University Heidelberg, SFB/TRR156, Prof. Alexander Enk
November 2017	University Frankfurt, Prof. Alexander Steinle
April 2016	Institute Pasteur, Paris, Prof. Gerard Eberl
April 2015	University of Edinburgh, Prof. Rick Maizels
November 2012	Miltenyi-Biotec, Bergisch-Gladbach

Reviewer activity

Peer-reviewed journals	Immunity, Journal of Immunology, Trends in Parasitology, Life Sciences, Journal of Leukocyte Biology
------------------------	--
